

The crane driver's seat KFS 10 is ergonomically designed and provides a high grade of comfort.

The driver's seat is a low level mechanical suspension seat with a pneumatic vibration absorption system with weight adjustment by compressor 24 V DC 8 Ampere.

All adjustment controls are positioned ergonomically within easy access.

For this comfort driver's seat KFS 10 a lot of efficient accessories are available look Pos. 5-25.

The metal parts are protected against corrosion and painted black.
